

OFF GRID TREK

GO FURTHER LONGER

Off Grid Trek offers innovative outdoor products help you enjoy your adventures no matter what the weather brings

- ✓ Easily charge your devices remotely, Reliable Power that is there when needed.
- ✓ Charge your 12/24V vehicle or trailer set-up, fridge/freezer, multiple USB devices, laptop, Goal Zero & Inergy Portable Solar Power Stations plus other Equipment.
- ✓ Lightweight, Portable, Efficient, Durable Solar Blankets for Emergency Preparedness Camping/Overlanding.

DEPLOYABLE SOLAR BLANKET

Product Specification

215W SOLAR BLANKET

US\$1,399.99

Model	- OGT215(215W)
Solar panel	- ETFE laminated solar panel with PCB board
Solar cell	- Gen 3 Sunpower solar cell 23.7% efficiency
Output	- 5.5V/2A & 18.3V*11.7A VOC22.3V
Unfolding size	- 68.5X36.6X0.15inch/1740X930X4mm
Folded size	- 12.6X12.6X2.8inch/320X320X70mm
Weight	- 6.2kg/13.63lbs/218.7oz
Color Either	- Army Green Rubberized Exterior

Model	- OGT120 (120W)
Solar panel	- ETFE laminated solar panel with PCB board
Solar cell	- Gen 2 Sunpower solar cell 23.5% efficiency
Output	- 5.5V/2A & 19.8V*6.1A VOC24V
Unfolding size	- 53.9X24.4X0.15inch/1370X620X4mm
Folded size	- 16.9X12.2X1.6inch/430X310X40mm
Weight	- 3.6kg/7.9lbs/126.99oz
Color Either	- Army Green Rubberized Exterior

Product Specification

120W SOLAR BLANKET

US\$798.68

Product Specification

28.5W SOLAR BLANKET

US\$229.99

Model	- OGT28.5
Solar panel	- ETFE laminated solar panel with PCB board
Solar cell	- Gen 3 Sunpower solar cell 23.7% efficiency
Output voltage	- 5V
Output current	- 2.3A for each of the 2 USB ports
Folding size	- 11.9X7.9X1.6inch/303X200X40mm
Unfolding size	- 25.5X11.9X0.2inch/675X303X5mm
Weight	- 1.1lbs/500g

Solar Regulator Value Packages

MPPT 20 AMP 12 OR 24V SOLAR REGULATOR & CABLE VALUE PACK

US\$295.95

Product Specification

Model - 20 Amp Solar Regulator

- Includes -
- Pre-Wired with 2 Anderson Connectors
 - 20 Amp Solar Regulator with 2 USB Charging Ports & LCD display
 - 5m/16.4ft Anderson to Anderson cable
 - 1.5m/5ft Anderson to Battery clip cable

PWM 20 AMP 12 OR 24V SOLAR REGULATOR & CABLE VALUE PACK

US\$206.87

Product Specification

Model - 20 Amp Solar Regulator

- Includes -
- Pre-Wired with 2 Anderson Connectors
 - 20 Amp Solar Regulator with 2 USB Charging Ports & LCD display
 - 5m/16.4ft Anderson to Anderson cable
 - 1.5m/5ft Anderson to Battery clip cable

Solar Blanket Bug Out Package

215W SOLAR BLANKET BUG OUT PACKAGE

US\$1,775.93

- ▶ 215W Solar Blanket only 13.6lbs with 2 High Speed USB charging ports, 4" cabling with Anderson connector for connecting to the Solar Charge Controller or optional Inergy or Goal Zero Portable Solar Generator
- ▶ 20 Amp common positive MPPT charge controller with built in LCD display and 2 High Speed USB charging ports.
- ▶ 5m/16.4ft Anderson to Anderson cable
- ▶ 1.5m/5ft Anderson to Battery clip cable
- ▶ Carrying bag

- ▶ 120W Solar Blanket only 7.9lbs with 2 High Speed USB charging ports, 4" cabling with Anderson connector for connecting to the Solar Charge Controller or optional Inergy or Goal Zero Portable Solar Generator
- ▶ 20 Amp common positive PWM charge controller with built in LCD display and 2 High Speed USB charging ports.
- ▶ 5m/16.4ft Anderson to Anderson cable
- ▶ 1.5m/5ft Anderson to Battery clip cable
- ▶ Carrying bag

120W SOLAR BLANKET BUG OUT PACKAGE

US\$1,085.54

Cables

5M/16.4FT ANDERSON TO ANDERSON EXTENSION CABLE

Product Specification

Model

5m/16.4ft Anderson to Anderson Extension Cable

US\$63.99

ANDERSON PARALLEL CABLE 3FT

Product Specification

Model

Anderson parallel cable 3ft

US\$49.99

1.5M/5FT ANDERSON TO BATTERY CLIP CABLE

Product Specification

Model

1.5m/5ft Anderson to Battery Clip Cable

US\$51.99

3ft Anderson to 8mm cable for charging Goal Zero Yeti Power Stations and 6ft Anderson to EC8 cable for charging Inergy Apex Power Stations

US\$49.99
